Dear [Redacted]:

Congratulations! You are approved to enter into a trial plan under the Standard Modification Program. This is the *first* step in the process toward qualifying for a **permanent** loan modification. It is important that you read this information in its entirety so you completely understand the actions you need to take to successfully complete the Trial Period Plan to permanently modify your mortgage.

To Accept this Offer

You must contact us at (877) 783-7491 EXT. 4263389 or in writing at Nationstar Mortgage LLC, P.O. Box 619097, Dallas, TX 75261-9741, by no later than 14 calendar days from the date of this letter to indicate your intent to accept this offer. In addition, you must make your first Trial Period Plan payment by 10/1/2015.

To Stop the Foreclosure Process (Suspension of Foreclosure)

In order for us to delay referring your mortgage to foreclosure, or to suspend foreclosure proceedings if the loan has been referred to foreclosure:

- You must contact us at (877) 783-7491 EXT. 4263389 or in writing at Nationstar Mortgage LLC, P.O. Box 619097, Dallas, TX. 75261-9741, by no later than 14 calendar days from the date of this letter to indicate your intent to accept this offer.
- You may also make your first Trial Period Plan payment by no later than 14 calendar days from the date of this letter, which is **earlier than the schedule due date** described below, in order for us to stop the foreclosure process.

Trial Period Plan	
1st payment:	\$1,520.00 due 10/1/2015
2nd payment:	\$1,520.00 due 11/1/2015
3rd payment:	\$1,520.00 due 12/1/2015

After all trial payments are made on time and you have submitted all the required documents, your mortgage will then be reviewed to be permanently modified (the existing loan and loan requirements remain in **full force and effect** and unchanged during the trial period). **If each trial payment is not received by Nationstar Mortgage LLC in the month in which it is due, this offer will be terminated and your loan will not be modified under the Standard Modification program.**
